El Molino has been evolving incessantly since its founding in 1922, which has turned the company, created by Cipriano Castelló, into a clear and solid landmark for the ceramics industry worldwide. After nine decades of self-improvement, and thanks to the work of three generations of entrepreneurs, El Molino is today, as yesterday, a pioneering business in the promotion of ceramics as the best solution for the covering of floors and walls of all kinds of spaces.

Dado Ceramica is a ceramics manufacturer that produces porcelain stoneware and double-fired tiles for residential and commercial settings. Founded in 1980 in San Matteo della Decima (Bologna), at the centre of the Emilia-Romagna ceramic manufacturing district, for 35 years now Dado Ceramica has been evolving in terms of technology and style. Dado Ceramica today offers a kaleidoscope of ceramic surfaces, in which colour engages with material, texture with decorations and sizes with graphics, to bring a stylish, personal touch to quality settings.

Founded on September 27, 1999, EQUIPE CERAMICAS, SL emerged to meet the demands of a growing niche market betting on the decorative borders . In just five years after its inception, EQUIPE had become the undisputed leader in the national and international market borders and began to grow in revenue and increase their customer base. In 2005 the company began to focus its efforts on small format wall-tiling and began a process of change in terms of product and business strategy.

The mainstay of our company's philosophy is a firm commitment to product quality and customer service. With regard to the product, we studied market needs so that we can adapt to them and anticipate changes in the market environment. We base our service on our knowledge of our customers, and their trust in us. We consider our customers to be our "partners". For that reason, and framed within a process of continuous improvement, we value your opinion as a key element of our internal policy to ensure that quality and provide the "Fabresa Guarantee" as a seal of assurance.
